## *Signature Quilt Series*

“We CARE” Promotions is in the process of preserving this great segment of our extremely rich culture, (Black Gospel Quartet Music) through the construction, distribution and exhibition of our *Series of Signature Quilts*. These quilts contain the names and personal signatures of our Quartet Artist, enthusiast, supporters, promoters, media personalities, businesses and other interested persons.

God has also dealt with us concerning the preservation and history of Black Quartet Music. This vision is of God as he pricked our hearts to tell the story, history and celebrate and commemorate all the love and sorrow that link the generations of traditional gospel music lovers together. Thus, the vision.... “write the vision, and make it plain.” And now as we journey into the process, we solicit your prayers and support with this very important task.

The “We CARE” Promotion’s mission is to preserve and share our Black Gospel Quartet Music Ministry with others, so that it will remain fruitful and continue to bless our lives and grow in God’s grace and glory.

What better way to tell the story than with a series of beautiful Signature Quilts. As gospel promoter, enthusiast and visionary Eunice Haywood designs the quilts with various signatures, they will reflect a love, and respect for the tradition, a look into the future, and a support for this great preservation of Black Gospel Quartet Music.

As you look at the way quilts are constructed, we see that the many different squares are stitched or linked together by color, pattern or some common factor until the big picture is created and the beauty of each individual square blends to make a unified, original work of art that warms and embraces the individual. “We CARE” sees this PROJECT, as a personification of our heritage of Black Gospel Quartet Music and this vision will allow us to display it the same way...to God be the Glory!

Each quilt will have 122 squares. Each square will have a different signature or name on it that will be linked together to make a beautiful design, symbolic of the way artist need promoters, supporters, businesses etc. to be effective in the music ministry reaching the masses of people. The unified design will be encased in border that is actually written music.

The quilts will be a tangible piece of history where participants can enjoy seeing their names alongside many other artist and supporters.

By signing your name on a quilt block, you will leave a legacy for present and future generations to appreciate and admire. You will experience the joy of knowing that you have made yet another step in writing and preserving this great piece of our rich heritage, knowing that you have joined with others to support something very dear to your heart. The “We CARE” organization knows without any doubt that this segment of our culture will not go unnoticed or forgotten if we join together, under God’s direction and make a conscious effort to embrace the task that is set before us. Having said all of that “We CARE” request your support with this mission.

## *Donations*

The first series is a RED & WHITE Quilt

There will be two quilts in this first series

One will be a traveling quilt that is to be exhibited at various workshops, conferences, concerts etc. The other will be raffled to a blessed supporter that has contributed financially to this great mission.

The Donations listing are as follows.
